*Note: Before sign up please collect unique sponsor ID from your T&P cell to proceed for candidate registration. Students once registered can login to begin their test.*
RESULT CRITERIA-

The result of the exam will be displayed immediately to the students after the test in the same screen to the student.

The test result has 3 result settings namely categories –

1. Snails – failing in the test (below 75%)
2. Rabbit – Average in the test (below 85%)
3. Fox – Those passing the test (above 85%)

The result will also be displayed to the TPO immediately after the exam in his login area inside the e-Recruitment app.

Candidates falling in the “FOX” category, besides appearing in the e-Recruitment online exam are required to appear for telephonic/Skype interview online within a considerable time of an hour or two after discussion between the company officials and the T&P cell in-charge.

Exception: Unfortunately, in case there is no candidate in the FOX category, company may decide to unveil the Rabbit category and may interview top Rabbit candidates close to the FOX category with a margin of (-5%).

We appreciate your precious time input and are looking forward to hire budding aspirants from your organization.
